

Winter Coerver Academy

By Magic Soccer

The Winter Coerver Academy is a patterned ball workout set to high energy music. This six week program enriches fine motor skills that procure functional ball mastery. The curriculum is coached through a lens of balance, coordination, body awareness, vision and speed to develop technical skill in youth soccer players.

Structure

Speed and Agility w/Ladders—10 minutes

Coerver workout to music— 15 minutes

Soccer Wrestling - 15 minutes

Juggling games— 15 minutes
