

Futsal Scramble

Magic Soccer Club is proud to host our 3rd Annual Futsal Scramble Tournament!

The scramble is a fundraiser for that supports Magic's scholarship fund. Last year the club spend over \$8,000 to help families in need play soccer. Dust off you soccer shoes and come have a great time!

Futsal is a fast paced game played on a hard court using a smaller, low bounce ball. Teams of five players each, including the goalie, use their creativity to score. Futsal is traditionally used as a training device to foster decision making in young players.
